## Treatment Reflexology Training

Training you to use reflexology especially foot reflexology to treat your own ailments or to keep yourself healthy.

1. Your problem can be serious ailments like cancer, Parkinson disease, kidney or heart failure etc.  
  
Dr. Goh will guide you to reducing your suffering resulting from the ailment itself or from the side effects of medical treatment e.g. Insomnia, aches and pain, lack of appetite or depression.  
  
The treatment training will also improve your ailment problem or prevent it from getting worst.
2. For your general health and ache free & pain free living, have confidence, looking fit and young.
3. Though this kind of training which has been introduced not long ago, we had feedback from patients who had successfully been cured or reduced their sickness like insomnia, depression, stomach wind, dry eyes, blurred eyes, erythema, muscle epilepsy, water bag in the womb, knee ailment, not able to raise arms, numbness of limbs, pigmentation, neck ache, shoulder ache, waist ache, menstrual pain, irregular menstruation, prostate sickness, sciatica, tinnitus etc.
